- NOVOTEL, DARWIN CBD

Bella Maree recently played at our Annual Staff Awards night held at The Venue in Fannie Bay and we can safely say that she made a good night a great night.

Bella Maree has a wonderful voice and her covers and originals are great. We particularly enjoyed how she made covers her own style. The music Bella Maree selected for the evening was exactly what the event required and was thoroughly enjoyed by all at the event. I would highly recommend her for any corporate events and we will be sure to be booking her for any future events we hold.

- MSS SECURITY DARWIN

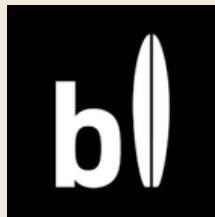

"Bella Maree is a favourite on the NightQuarter stage. She is a natural and engaging performer who uses her powerful voice with grace to carve her melodies and give wings to her lyrics."

- NIGHTQUARTER, GOLD COAST

"...After a California Taco experience (including extra guac and a jug of yummy sangria) the soulful Bella Maree took the stage. Here's a woman with a voice! With thoughtful lyrics and melancholy melodies, Bella captured the crowd swiftly and delivered a strong set, no doubt picking up a few new fans that had turned up for the main act."

- BLANK GC MAGAZINE.
